# Antioxidant Bars

100% **organic** and **all-natural** superfood bars loaded with **antioxidants** to **reduce oxidative stress** and protect against **free radical damage**. **Science-backed (pre-clinical studies)** and **doctor-formulated**, inspired by a simple philosophy: when we consume healthy, life-giving foods, it leads to **overall well-being** of the mind, body, and spirit.

Every ingredient used in the bars is a superfood or a functional food, shown to have numerous health benefits. The antioxidants in polyphenols have the ability to protect against stress, thereby improving our body's environment and overall well-being.
